Happy summer from the School of St. Philip! We hope you will spend the next three months getting outside and enjoying the community of Litchfield.

We at St. Philip's LOVE scavenger hunts! This summer you are invited to take part in a scavenger hunt all throughout the city of Litchfield.

Your task:

Using Google Maps, type in the Google coordinates in the chart on the attached pages to visit each of the special locations in Litchfield. You will need to hunt for a small plastic box which contains a stamper. Use it to put a stamp in your passport. Complete the "bonus activities" if time permits.

Good luck and have fun!

If you run into problems or find that a box is missing in a given location, please send a message to us at info@schoolofstphilip.org or send a text message to 320.428.5818.
