

# Discovery Day

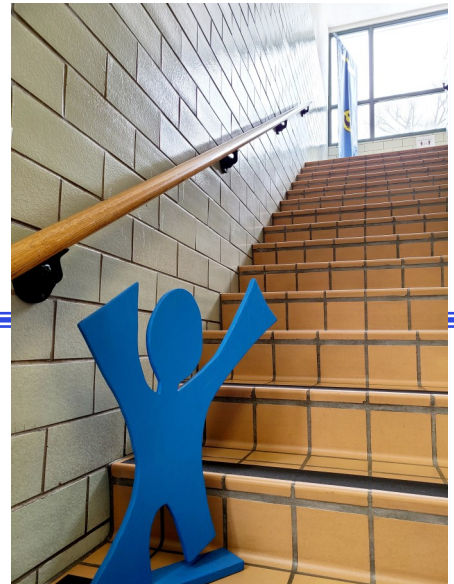

at the  
School of St. Philip

There's more to discover at the School of St. Philip!

## BUILD A SNOWMAN!

Use your imagination to create a snowman. You can use any materials you want. You can use snow, paint, paper, yarn - anything you want.

## SHARE TO WIN!

The Blue Guy is the mascot for our school. You can find him lots of places around school. Sometimes he even dresses up for special events. Please take a picture of the snowman you created with the enclosed Blue Guy. Post your picture on the School of St. Philip Facebook page found here: <https://www.facebook.com/stphilipsschoollitchfield/> Look for the Discovery Day Build A Snowman post and put your picture in the comments for that post. Check out the other snowmen while you are there.

There will be a random drawing for those who send a picture. One lucky snowman maker will get a McDonald's gift card.

## READ!

Get your Little Bear's Special Friend book out and visit <https://www.schoolofstphilip.org/discovery-day> to see and hear our principal, Mrs. Lingen, read the story. Visit next week to see and hear Fr. Jeff, the priest at the Church of St. Philip, read the book.
